SACRAMENTO'S FINEST DEPARTMENT STORE

EVERY STORE should appear in the Directory and the Directory should be in Every Store.

Besides its use to the storekeeper, it is a convenience the customer looks for.
The store that offers an old Directory, or no Directory at all, fails to show its patrons a courtesy they will find elsewhere.

EVERY STORE should appear in the Directory and the Directory should be in Every Store.

Besides its use to the storekeeper, it is a convenience the customer looks for. The store that offers an old Directory, or no Directory at all, fails to show its patrons a courtesy they will find elsewhere.

SACRAMENTO'S FINEST DEPARTMENT STORE

EVERY STORE should appear in the Directory and the Directory should be in Every Store.
Besides its use to the storekeeper, it is a convenience the customer looks for. The store that offers an old Directory, or no Directory at all, fails to show its patrons a courtesy they will find elsewhere.

SACRAMENTO'S FINEST DEPARTMENT STORE

EVERY STORE should appear in the Directory and the Directory should be in Every Store.

Besides its use to the storekeeper, it is a convenience the customer looks for. The store that offers an old Directory, or no Directory at all, fails to show its patrons a courtesy they will find elsewhere.

DIRECTORY OF HOUSEHOLDERS OCCUPANTS OF OFFICE BUILDINGS AND OTHER BUSINESS PLACES
INCLUDING A COMPLETE
STREET AND AVENUE GUIDE
1936

COPYRIGHT, 1936, BY R. L. POLK & CO.

In the following list the streets are arranged in alphabetical order, the intersecting streets being shown. The number of each building on the street is given in numerical order, and opposite the number is placed the name of the occupants or house owner or tenants. In the business blocks containing offices the occupants are shown by room numbers where practicable. In all streets both sides of the streets are included in one list. The profession or business of individuals or firms is given only at their respective place of business; to find occupation of others refer to Alphabetical List of Names.

Numerical Streets are compiled following the Named Streets.

The symbol (o) following a householder's name indicates that we have received information during the canvass that the house is owned by some member of the family, but as the publisher cannot and does not guarantee the correctness of the information furnished, nor the complete absence of mistakes no responsibility for errors can be or is assumed, nor can the publisher furnish further information than that shown.

SACRAMENTO'S FINEST DEPARTMENT STORE

EVERY STORE should appear in the Directory and the Directory should be in Every Store.
Besides its use to the storekeeper, it is a convenience the customer looks for. The store that offers an old Directory, or no Directory at all, fails to show its patrons a courtesy they will find elsewhere.

SACRAMENTO'S FINEST DEPARTMENT STORE

EVERY STORE should appear in the Directory and the Directory should be in Every Store.
Besides its use to the storekeeper, it is a convenience the customer looks for. The store that offers an old Directory, or no Directory at all, fails to show its patrons a courtesy they will find elsewhere.

SACRAMENTO'S FINEST DEPARTMENT STORE

EVERY STORE should appear in the Directory and the Directory should be in Every Store.

Besides its use to the storekeeper, it is a convenience the customer looks for. The store that offers an old Directory, or no Directory at all, fails to show its patrons a courtesy they will find elsewhere.

SACRAMENTO'S FINEST DEPARTMENT STORE

EVERY STORE should appear in the Directory and the Directory should be in Every Store.
Besides its use to the storekeeper, it is a convenience the customer looks for. The store that offers an old Directory, or no Directory at all, fails to show its patrons a courtesy they will find elsewhere.

SACRAMENTO'S FINEST DEPARTMENT STORE

EVERY STORE should appear in the Directory and the Directory should be in Every Store.
Besides its use to the storekeeper, it is a convenience the customer looks for.
The store that offers an old Directory, or no Directory at all, fails to show its patrons a courtesy they will find elsewhere.

SACRAMENTO'S FINEST DEPARTMENT STORE

EVERY STORE should appear in the Directory and the Directory should be in Every Store.
Besides its use to the storekeeper, it is a convenience the customer looks for. The store that offers an old Directory, or no Directory at all, fails to show its patrons a courtesy they will find elsewhere.

A THUMB NAIL SKETCH OF NORTH SACRAMENTO

(By North Sacramento Chamber of Commerce)

SUBDIVIDED out of original Rancho Del Paso, or Haggin Grant, in 1910, and incorporated in 1924, North Sacramento has grown from a grain field to a town of over 5000 in 25 years.

The contiguous territory comprising the areas known as Hagginwood, Woodlake, Rio Linda, and Robla support a population in excess of 10,000.

Since incorporation approximately $300,000 has been expended in street improvement alone and this includes Del Paso Boulevard, 100 feet wide, traversing the central portion of the town. A modern, sanitary sewer system has been completed connecting with every part of the town.

The North Sacramento School District comprises modern, well-equipped schools, being attended by more than 1500 children.

The spiritual needs of the community are cared for by four churches: Methodist, Nazarene, Roman Catholic and Bethel-Lutheran. The social life is represented by the Woman's Club, Rotary, Knights of Pythias, and the Masons. The North Sacramento Chamber of Commerce is, of course, representative of all, and has been the moving force behind all improvements and developments since before the incorporation of the town. It is equipped to supply complete and reliable information on all matters relating to the entire district.

One of the outstanding advantages of North Sacramento is its water supply. Pumped from deep wells it has shown a continuous record for purity surpassed only by the purest of high mountain springs.

Located between the converging lines of the Western Pacific and Southern Pacific and traversed by the Sacramento Northern Railroad, North

Sacramento offers the manufacturer the best sites for industrial enterprise in Northern California.

North Sacramento local traffic is served by the Sacramento Northern Railroad and the North Sacramento Stage Line which latter operates a schedule of forty-two round trips daily to and from Sacramento.

The volunteer fire department has twenty-five men under call.

North Sacramento is seven minutes from the center of Sacramento over a broad concrete highway, and is three miles from Del Paso Park, the 800-acre public park of the City of Sacramento, containing one of the finest municipal golf courses in California.

It has two newspapers of general circulation and the homeseeker will find modern well-stocked stores to satisfy every demand, and including a branch of one of the largest banking institutions in the City of Sacramento.

Has a first class hotel with free garage.

Has one of the largest apiaries in the State doing a nation-wide business in bees, queens, honey, wax and bee supplies.

SACRAMENTO'S FINEST DEPARTMENT STORE

EVERY STORE should appear in the Directory and the Directory should be in Every Store.
Besides its use to the storekeeper, it is a convenience the customer looks for. The store that offers an old Directory, or no Directory at all, fails to show its patrons a courtesy they will find elsewhere.

SACRAMENTO'S FINEST DEPARTMENT STORE

EVERY STORE should appear in the Directory and the Directory should be in Every Store.
Besides its use to the storekeeper, it is a convenience the customer looks for. The store that offers an old Directory, or no Directory at all, fails to show its patrons a courtesy they will find elsewhere.

Advertise Your Good Things

MANY a limping business is kept from healthful development by the morbid aversion of one of a firm's members to publicity — perhaps he is honestly so conscious of the excellency of his wares that he expects the world to search them out. But the busy world hasn't time. If you have a good thing to sell proclaim it from the housetops. The world wants good things, but it can't discover them in hiding places. Bring them into the market place.

TITLE INSURANCE AND ESCROWS

OFFERING INTER-COUNTY SERVICE

•

Realtors, Bankers, Attorneys, Loan Agents:

You will find it convenient to place title orders and escrows on properties in "outside" counties here. Personal contact with our escrow department is a distinct advantage.

Sacramento City is the financial center of the Sacramento Valley, doing an ever increasing loan and real estate business throughout Northern California. It is our pleasure to act as a clearing house for this business.

We can be of real service too, because of our understanding of local title conditions and the methods of conducting business in the various county seats.

EVERY STORE should appear in the Directory and the Directory should be in Every Store.

Besides its use to the storekeeper, it is a convenience the customer looks for. The store that offers an old Directory, or no Directory at all, fails to show its patrons a courtesy they will find elsewhere.

SACRAMENTO'S FINEST DEPARTMENT STORE

EVERY STORE should appear in the Directory and the Directory should be in Every Store.
Besides its use to the storekeeper, it is a convenience the customer looks for. The store that offers an old Directory, or no Directory at all, fails to show its patrons a courtesy they will find elsewhere.

SACRAMENTO'S FINEST DEPARTMENT STORE

EVERY STORE should appear in the Directory and the Directory should be in Every Store.

Besides its use to the storekeeper, it is a convenience the customer looks for. The store that offers an old Directory, or no Directory at all, fails to show its patrons a courtesy they will find elsewhere.

Common Sense

ABOUT CITY DIRECTORY CIRCULATION

The true value of advertising circulation is circulation consulted.

To be exact by actual survey in twenty-four average American cities by actual count each city directory averaged three and one-half consultations for each business day.

To be conservative we will eliminate the sixty Sundays and Holidays when no tests were made.

For every thousand directories sold there will be an average of three and one-half daily consultations for each book for three hundred and five days, therefore—

THIS PUBLICATION IS THE PRODUCT OF A MEMBER OF

Thus assuring you the ultimate service that skill and care can produce in the way of City Directories or other reference media, and providing protection against fraudulent advertising schemes which operate under the name of Directories.

The following "Standards of Practice," adopted at the inception of the Association of North American Directory Publishers in 1898, and strictly adhered to over the years, is your guarantee of satisfactory Directory Service.

The publisher of a Directory should dedicate his best efforts to the cause of business uplift and social service, and to this end pledges himself:

1. To consider, first, the interest of the user of the book.

2. To subscribe to and work for truth, honesty and accuracy in all departments.

3. To avoid confusing duplication of listings, endeavoring to classify every concern under the one heading that best describes it, and to treat additional listings as advertising, to be charged for at regular rates.

4. To increase public knowledge of what Directories contain; to study public needs and make Directories to supply them; to revise and standardize methods and classifications, so that what is wanted may be most easily found, and the Directory be made to serve its fullest use as a business and social reference book and director of buyer and seller.

5. To decline any advertisement which has a tendency to mislead or which does not conform to business integrity.

6. To solicit subscriptions and advertising solely upon the merits of the publications.

7. To avoid misrepresentations by statement or inference regarding circulation, placing the test of reference publicity upon its accessibility to seekers, rather than on the number of copies sold.

8. To co-operate with approved organizations and individuals engaged in creative advertising work.

9. To avoid unfair competition.

10. To determine what is the highest and largest function of Directories in public service, and then to strive in every legitimate way to promote that function.
